Grupo Motriz Moreser - TASA

Moreser - TASA
Auto Group

40 años de experiencia nos respaldan...

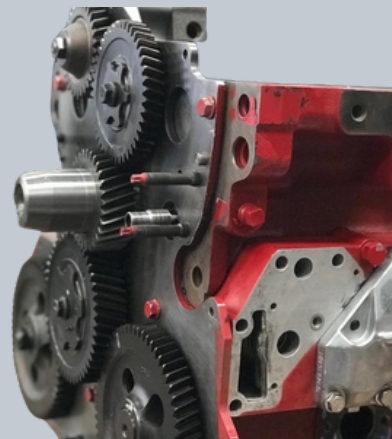

Las dos compañías que conforman este grupo, parten de 3 vertientes de distribución:

- Distribución de motores industriales para diferentes aplicaciones tales como, bombeo, contra incendio y para uso marino y el servicio de mantenimiento correctivo y preventivo.
- Venta de una amplia variedad de refacciones para motores a diesel de diferentes marcas presentes en el mercado de vehículos automotrices.
- Comercialización de partes para el tren motriz de equipo original de los camiones comerciales clase 6, 7 y 8.

40 years of experience back us up...

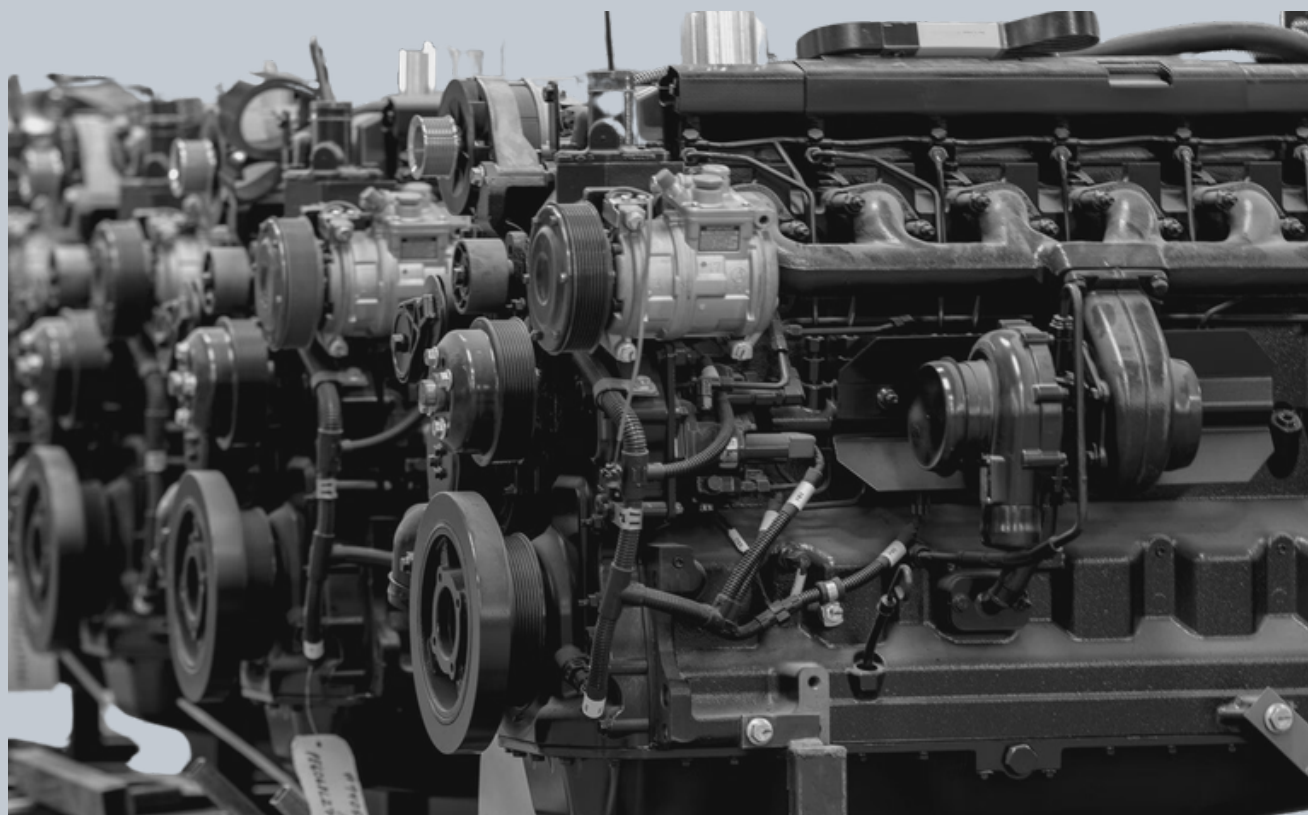

The two companies that constitute this group operate in three distribution areas:

- Distribution of industrial engines for different applications such as pumping, fire protection, and marine use, as well as the corrective and preventive maintenance services.
- Distribution of a wide variety of spare parts for diesel engines from different brands in the automotive market.
- Distribution of original equipment parts of the powertrain for commercial trucks in Class 6, 7 and 8.
